Food Safety and Standards Authority of India
(A statutory Authority established under the Food Safety and Standards Act, 2006)
(Quality Assurance Division)
FDA Bhawan, Kotla Road, New Delhi - 110002

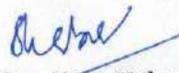

Dated, the ^{12th} April, 2016

ORDER

FSSAI has revised the analysis charges for different food products as per FSSR, 2011 which have been approved by the Food Authority in its 20th meeting held on 27.01.2016 and are enclosed herewith.

2. This order is in suppression of Authority's earlier Order No. 1/2008/Import safety/FSSAI/Vol II. Pt. file dated 23/04/2012 and will come into force with immediate effect.
3. Service Tax and other cess applicable as per Central Government orders from time to time will be payable over and above the testing charges.
4. This issues with the approval of the competent authority of FSSAI.

Encl: as above

**Testing Charges for
different Food
Products as per
FSSR, 2011**

**Food Safety & Standards Authority
of India**
Ministry of Health & Family Welfare
FDA Bhawan, Kotla Road
New Delhi - 110002

OBJECTIVES

1. The expenses towards running a food testing laboratory have to be met from the revenue received through the testing charges of the food products.
2. Analysis of different food products involves different parameters and instrumentation hence seeing the complexity of food matrices it was felt essential to rationalize the testing charges for different food products.
3. Rationalization of the testing charges is also required to provide support to the food testing laboratories both public and private in the country and to develop a financially viable network of the Food Testing Laboratories in the country.
4. A network of laboratories would also help in timely testing of samples that will facilitate the regulator, FBOs as well as common consumers.
5. With these objectives, the testing charges of various food products have been revised and are enclosed.
