Bathinda, May 8

The Food Safety and Standards Authority of India on Wednesday organised an awareness camp at BCL distillery at Sangat Kalan in the district. The Food Safety Department team, headed by Shantu Gupta, gave training for around three camps. The BCL quality control team was also present in the camp.

The camp was presided by distillery senior general manager Avtar Singh, deputy general manager HK Verma and senior manager MD Saini. In the camp, the team gave away special information pertaining to care of the products which are prepared in food industry as per norms released by FSSAI.
