

NBSE informs on ‘Eat Right Creativity Challenge’

December 12, 2018

Kohima, December 11 (MExN): The Nagaland Board of School Education (NBSE) today informed all schools in the State to actively participate in the ongoing ‘Eat Right Creativity Challenge’ from November 14 to December 31.

The Food Safety and Standards Authority of India (FSSAI), Ministry of Health and Family Welfare, Government of India launched the challenge as a part of the celebration of the 150th Year of Mahatma Gandhi’s birth anniversary, aimed at “unleashing creative talents of young children and enabling them to inculcate healthy dietary habits.” In this regard, the NBSE in a release stated that all resources for the challenge are available on their website and schools can register at <https://fssai.gov.in/CreativityChallenge/>.
