TIRUPUR, AUGUST 02, 2018

The Food Safety and Standard Authority of India (FSSAI) officials seized about one tonne of adulterated tea worth over Rs. 2 lakh during a raid conducted on Tuesday night. The officials also unearthed a tea factory that was manufacturing and marketing adulterated tea for the last three years.

The raid was carried out in a factory belonging to Murugesan of Chamundipuram in Tirupur district.

The factory was sealed and the tea samples have been sent for laboratory analysis. FSSAI officials said that public could inform those indulging in adulteration at 94440-42322.
