The 2-day Global Food Regulators Summit 2023 concluded with a resolute commitment to bolstering food safety systems worldwide.

In the concluding address at the summit, Shri Suman Berry, Vice-Chairman of NITI Aayog, emphasized the urgency to fortify food safety scientific standards and enforce strict regulations to curb adulteration and counterfeiting in the food industry.

On 20th July 2023, the Global Food Regulators Summit commenced with its inauguration by Dr. Mansukh Mandaviya, Union Minister for Health and Family Welfare. The summit provided a vital platform for food regulators from across the globe to convene and share their insights and expertise on critical matters concerning food safety systems.
