

PRESS RELEASE

Dated: 07th August 2022

The action under the ongoing surveillance drive launched by FSSAI on 01.08.2022 to check adulteration in edible oils (single oil as a constituent), trans-fatty acids and sale of Multi Source Edible Oils without proper labelling continued on Sunday also.

The number of surveillance samples drawn across the country has gone up to 2197 while the cumulative quantity of loose edible oils seized across the states has also gone up to o the tune of 19522 liters.

In the coming week, the action will continue across the country and the number of samples drawn to check adulteration will rise further so as to ensure that all the sample base is wide and representative of the edible oil products market of the county. Further, the special focus will be on the seizure of loose edible oil being sold in the country till the last day of the campaign which is 14.08.2022.
