

## **Report on State Food Safety Index 2019-20**

On “World Food Safety Day”, i.e. 07<sup>th</sup> June, FSSAI releases the State Food Safety Index based on the overall performance of the States/ UTs in the previous financial year to create a positive competitive environment across the States/ UTs to meet the objectives of the Food Safety and Standards Act to provide safe food to general public at large. The first State Food Safety Index for the year 2018-19 was announced on the first-ever World Food Safety Day on 7<sup>th</sup> June 2019.

FSSAI released the Second State Food Safety Index 2019-20 on 07<sup>th</sup> June 2020 on the occasion of 2<sup>nd</sup> World Food Safety Day. The Index measures the performance of States and UTs on five significant parameters of Food Safety:

- a) **Human Resources and Institutional Data (with 20% weightage)**: The objective is to check availability of strong culture and ecosystem of enforcement commensurate with the size and population of the State/UT as well as participation of other departments and stakeholders in food safety activity at State and district levels. This parameter measures the availability of human resources like number of Food Safety Officers, Designated Officers, facility of adjudications and appellate tribunals, functioning of State/ District level Steering Committees, pendency of cases and their monitoring and participation in Central Advisory Committee meetings of the Food Authority.
- b) **Compliance (with 30% weightage)**: This is the most important parameter and measures overall coverage of food businesses in licensing & registration commensurate with size and population of the State/UTs, special drives and camps organized, yearly increase, promptness and effectiveness in issue of state licenses/ registrations and monitoring of expired licenses. Also, this parameter considers the inspections carried out for high risk food businesses, mode of inspections used and the number of samples lifted for testing. Promptness in attending to the consumer grievances and availability of help desk and web portals is also examined under this parameter.
- c) **Food Testing- Infrastructure and Surveillance (with 20% weightage)**: This parameter measures availability of adequate testing infrastructure with trained manpower in the States/ UTs for testing food samples. The States/ UTs with NABL accredited labs and adequate manpower in the labs score more in this parameter. The availability and effective utilization of Mobile Food Testing Labs and registration and utilization of InFoLNet (Indian Food Laboratories Network) are also examined under this parameter.

- d) **Training and Capacity Building (with 10% weightage)**: This parameter focuses on training and capacity building of regulatory staff and laboratory personnel. Also the workshops held with training partners, availability of training calendar and number of trainings held under FoSTaC (Food Safety Training and Certification) are examined in addition to the availability of trained Food Safety Supervisors in food businesses across the State/UT.
- e) **Consumer Empowerment (with 20% weightage)**: This parameter measures the performance of States/ UTs in various consumer empowering initiatives of FSSAI like participation in Food Fortification, Eat Right Campus, BHOG (Blissful Hygienic Offering to God), Hygiene Rating of Restaurants, RUCO (Repurpose Used Cooking Oil), Clean Street Food Hubs, etc. Further, action taken for coverage of food fortification in open market, government safety net programmes and availability of fortified products in all districts are taken into consideration. State initiated activities for creating consumer awareness are also considered.

Further, in order to ensure comparison among similar entities, for generation of SFSI Index, States/ UTs have been kept in 3 categories (Large States, Smaller States and UTs).

The assessment and evaluation of each category has been done by separate teams comprising of outside experts for food testing and food & nutrition professionals in addition to FSSAI officials. The teams examined the details received and also interacted with States/UTs through web meetings.

**The Second State Food Safety Index for the year 2019-20 for States/ UTs under three categories are as follows:**

<b>Table 1: Index Rankings for Large States</b>							
<b>Rankings</b>	<b>States Name</b>	<b>Human Resources and Institutional Data (20%)</b>	<b>Compliance (30%)</b>	<b>Food Testing- Infrastructure and Surveillance (20%)</b>	<b>Training and Capacity Building (10%)</b>	<b>Consumer Empowerment (20%)</b>	<b>TOTAL</b>
1	Gujarat	17	24	16.5	4.75	16	78.25
2	Tamil Nadu	13	28	10.9	5	18	74.9
3	Maharashtra	13	23.5	12.5	7.75	16	72.75
4	Kerala	15	21	16.1	7.5	12	71.6
5	Punjab	14	19	12.6	7.75	12	65.35
6	Karnataka	11	23.5	12.3	4.5	11	62.3
7	Uttar Pradesh	15	20.5	14.7	3	7	60.2
8	West Bengal	13	19	13.6	4.75	9	59.35
9	Telangana	10	21.5	11.3	4	10	56.8
10	Madhya Pradesh	9	17	10.3	5.5	13	54.8
11	Rajasthan	9	23	12	4.5	6	54.5
12	Himachal Pradesh	9	20.5	6.9	9	8	53.4
13	Odisha	9	20	10.4	4.75	9	53.15
14	Chhattisgarh	8	21.5	6.4	5.5	7	48.4
15	Bihar	9	18	7.4	6.5	6	46.9
16	Haryana	8	17	8.3	7.75	5	46.05
17	Uttarakhand	8	18	6.4	4.25	8	44.65
18	Andhra Pradesh	8	17.5	4.8	6.5	6	42.8
19	Assam	5	18	12.1	2.5	2	39.6
20	Jharkhand	10	14	5.9	4.25	5	39.15

**Table 2: Index Rankings for Smaller States**

Rankings	State Name	Human Resources and Institutional Data (20%)	Compliance (30%)	Food Testing-Infrastructure and Surveillance (20%)	Training and Capacity Building (10%)	Consumer Empowerment (20%)	TOTAL
1	Goa	18.5	24.5	17	8	15.5	83.5
2	Manipur	12	21.5	15	6.5	9	64
3	Meghalaya	12	18	12.5	5	13	60.5
4	Tripura	8	19	12	5	8.5	52.5
5	Sikkim	13	14.5	7	5	3	42.5
6	Nagaland	8	14	13	2	5	42
7	Arunachal Pradesh	6.5	18	4	0.5	4.5	33.5
8	Mizoram	7	10.5	1	2.5	1	22

**Table 3: Index Rankings for UTs**

Rankings	Union Territories	Human Resources and Institutional Data (20%)	Compliance (30%)	Food Testing-Infrastructure and Surveillance (20%)	Training and Capacity Building (10%)	Consumer Empowerment (20%)	TOTAL
1	Chandigarh	14	26	12	8	13	73
2	Delhi	11	24	14	9	10	68
3	Andaman	16	26	11	5	9	67
4	J&K	14	22	13	7	8	64
5	Daman and Diu and Dadar and Nagar Haveli	11	18.5	11	0	4.5	45
6	Ladakh	8	15	13	7	2	45
